Re: Is Your Practice Compliant With the New Health Care Legislation?

New legislation in New Jersey requires ALL medical providers to provide specific health care notices to patients regarding insurance. We have already brought several practices into compliance with the healthcare legislation. We can do the same for your practice!

Please contact Joseph Massood (jmassood@massoodlaw.com) or David Angeluzzi (dangeluzzi@massoodlaw.com) of the Massood Law Group, LLC for a free consultation on how we can help you understand and comply with these new requirements.
